Ruth Ann Terry, MPH, RN
Executive Officer**INSTRUCTIONS FOR APPLYING FOR A NURSE PRACTITIONER
FURNISHING NUMBER**

Section 2836.1 of the Business and Professions Code requires that nurse practitioner who wish to furnish drugs and/or devices pursuant to Section 2836.1 must have a Board issued furnishing number. The number is renewable at the time of the applicant's registered nursing (RN) license renewal. To be eligible for the furnishing number, the board certified nurse practitioner must have completed a Board approved pharmacology course and a minimum of 520 hours of physician supervised experience in furnishing drugs and/or devices. These hours may be accumulated during a period of time which is not less than six (6) months but not more than twelve (12) months within the last four (4) year since California Board of Registered Nursing certification as a Nurse Practitioner. **The furnishing number may not be used in solo practice of nurse practitioner.**

APPLICATION PROCESS

To apply for the furnishing number, the applicant must provide the following:

- ♦ Completed **Nurse Practitioner Furnishing Number Application** form.
- ♦ **Application Fee of \$50.00.**
- ♦ Submission of the **Verification of Physician Supervised Furnishing Experience** form completed by the supervising physician.
- ♦ Submission of the **Advanced Pharmacology Course Verification for Furnishing** form completed by the academic program or the continuing education (CE) provider.

AND

If the advanced pharmacology course was completed more than four (4) years ago, the **Verification of Recent Furnishing Experience** form must be completed by the agency administrator or physician where the physician supervised furnishing experience was obtained.

The criteria for the physician supervised furnishing experience and for the approved advanced pharmacology course work are listed on the reverse side of the applicable verification form.

Falsification of information on the application is a violation of the Nursing Practice Act and may result in not only denial of the issuance of the Furnishing Number but also in Board disciplinary action against the applicant's RN license.

NPF-PHARM (01/04)

ADVANCED PHARMACOLOGY COURSE FOR FURNISHING

In order to be approved, the pharmacology course must comply with the following requirements:

- Be post-RN licensure.
- Be a two (2) semester units or three (3) quarter units academic course from a post-secondary school. If the pharmacology course content was integrated in the curriculum, it must be equivalent to forty-five (45) hours.
- Be a forty-five (45) hour continuing education (CE) course(s), not including independent or home study. The course(s) must include a written test of knowledge to demonstrate comprehension of the course objectives.
- Must have been completed within the last four (4) years. If the course was completed more than four (4) years ago, the nurse practitioner must provide documentation of having experience furnishing drugs and/or under standardized procedures for the preceding six (6) months for a minimum of twenty (20) hours per week.
- Must have included the following course objectives and content related to the provision of perinatal care, family planning services and/or routine health care to essentially healthy persons.

Course Objectives: Upon completion of the course, the nurse practitioner will be able to:

- 1) Utilize the database obtained from the health assessment of the client/patient to identify an appropriate therapeutic regimen, including drugs and/or devices.
- 2) Utilize knowledge of pharmacokinetics when developing a therapeutic regimen that maximizes the therapeutic effectiveness while minimizing adverse reactions.
- 3) Utilize knowledge of pharmacodynamics: to observe the effects of drugs and/or devices on a client/patient; to predict the client/patient response; and to understand the effects of the drugs and/or devices.
- 4) Evaluate the response and compliance of the client/patient to the drugs and/or devices and implement appropriate action.
- 5) Provide appropriate client/patient education regarding the furnished drugs and/or devices.
- 6) Furnish drugs and/or devices safely and legally.

Course Content: Must be related to drugs and/or devices utilized in the provision of perinatal care, family planning services and/or routine health care to essentially healthy persons for the following areas:

- ✓ Pharmacodynamics
- ✓ Pharmacokinetics
- ✓ Ethics and legal issues
- ✓ Classification of drugs and/or devices including the following components – therapeutic use; body absorption mechanisms; side effects; drug interactions; contraindications; generic nomenclature.
